

Section 1: *Take Responsibility*

You are responsible for your actions and your words. You can decide the direction of your life by taking responsibility for yourself.

Responsible people don't have to be told what to do all the time.

Taking responsibility means I control my thoughts, my words and my actions.

How can I be responsible?

1. What do you think about most?
2. Who's going to make a difference in your life?
3. How do you respond when someone does something that you don't like?
4. Who decides how you behave?
5. How do my words make other people feel?
